LUXURY
INNOVATION
STYLE

At Innova we are proud to provide the highest quality contemporary luxury bathroom products in Australia.

For 20 years, our company has proudly offered elegant bathroom products for those who appreciate the finest quality and demand the highest standards.

Meeting the ever-changing demands of the modern consumer is something we pride ourselves on; our range is constantly being updated to stay ahead of the curve.

Our products include basins, tapware, baths, showers, toilet suites, bathroom mirrors, sinks and kitchen appliances, all available in a wide selection of styles.

Each product is designed and hand picked to maintain exemplary quality standards and to bring a unique flair into the bathroom and kitchen.

Whatever your vision, Innova products will bring it to life with unparalleled luxury, style and innovation.

TAPWARE COLLECTION

Chrome finishes continue to be the most popular choice in tapware, with its smooth shine and easy clean finish.

More than just another type of tap, Innova's high quality and durable chrome tapware is not to be taken for granted. Chrome is a great finish for just about any style, a shine that draws attention and makes a statement.

KITCHEN MIXERS

Innova's new ZED hob mounted rotatable Kitchen Mixer gives you the freedom to use your whole sink without the need for a pullout hose, allowing for quick and easy installation. With its 360° rotatable spout and extendable arm, easily fill pots and vases right from your benchtop.

Combined with low splash, flow controlled Switzerland NEOPERL Aerator and quality Spanish Ceramic cartridge, the ZED Kitchen mixer has been tested to 500,000 open and close cycles, proving this brass kitchen mixer is built to last.

T-1

A built-in filtration sink mixer equipped with a functional water-saving feature, the "eco-shower".

TAQUA Water Filtration Sink Mixers

TAP INTO THE FUTURE

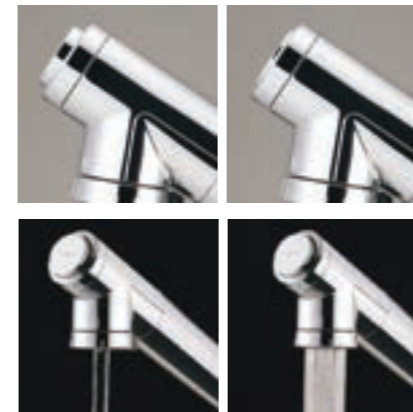

Japan's best selling built-in filtration sink mixer, now available in Australia.

Taqua's water filtration sink mixer removes chlorine and impurities from water, retaining the minerals your body needs, transforming tap water into water that tastes better and is safer to consume.

Taqua T1 or T3, the design choice is yours

TAQUA T3

Filtered water available with the push of a button. Simply press the button on the front of the tap to switch between filtered water and tap water. Turn the dial to switch between shower/normal flow.

TAQUA T1

Large, easy-to-see colour display window: Simply press the button on the front of the tap to switch between filtered water and tap water. "Eco Shower" mode allows you to save around 20% more water

FILTERED WATER AVAILABLE WITH THE PUSH OF A BUTTON

Simply press the button on the front of the tap to switch between filtered water and tap water.

FILTERED WATER AVAILABLE AS A SHOWER SPRAY

The Taqua built-in filtration tap has an extendable hose feature and can be easily switched between shower and normal flow with a turn of a dial.

5 LAYER FILTER SYSTEM

The innovative five-layer filter sits directly inside the tap meaning there is no wasted space under the sink. It takes only 10 seconds to change the filtration cartridge without the need for tools.

INNOVA SHOWER COLLECTION

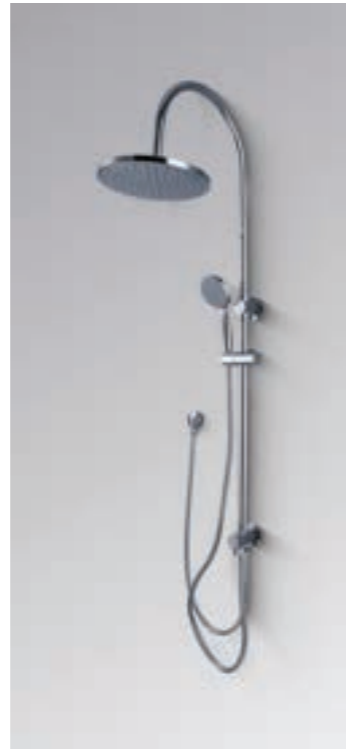

Showers are one of the best features of a bathroom providing a place for you to relax, unwind and rejuvenate. With many options available from Innova, its easy select the perfect showering system for your bathroom.

FREESTANDING BATHS

Elegant and contemporary, a freestanding bath adds longevity to your bathroom. Without the need for tiling or inbuilt support, it is a style that dominates and makes for a strong design feature.

ACRYLIC BATHS

Durability, versatility, heat retention, and smoothness, acrylic baths are comfortable, low-maintenance, warm and lightweight.

LAUNDRY AND UTILITY SINKS

Company Background

Bestlink International have supplied kitchen appliances, bathroom and laundry products to a variety of retailers and commercial clients since 2002.

With almost 20 years of excellent service and sales records , Bestlink proudly distributes internationally renowned brands throughout Victoria and nationwide, including TOTO, Midea, Takagi and Innova.

Our commitment is to provide a total solution for our retail and commercial clients throughout the building industry.

All products are manufactured to the highest quality and meet all relevant Australian Standards.

Working with prestigious retail and commercial partners, Bestlink offers value, choice, convenience and excellent customer service.

After Sales and Service

Our established After Sales Service network has nationwide coverage allowing peace of mind to the developer, builder, merchant and consumers.

A call to our toll free 1800 service number will receive a prompt and courteous response EVERY time.

Distribution

Our National Distribution Centre in Melbourne has over 3,600sqm of warehouse and showroom space.

Bestlink conveniently have sales branches and warehouses in NSW and SA which allows for a timely delivery of stock to supply projects Australia wide.
